## *Quality Policy*

Zelle Biotechnology Pvt. Ltd. is committed to quality and excellence. We shall endeavor to fulfill our commitments to all the stakeholders by implementing a Quality Management System with the following objectives:

- Offer best-in-class products, technologies, and services for the Biopharma and Life Sciences Industry.
- Deliver cost-effective products, research & analytical services with a quick turnaround time, integrity, and a deep commitment to quality.
- Strive for constant improvement of our employees' personal & professional growth.
- Continually improve customer satisfaction.
